Dear Richard,

I am writing from the Los Angeles bureau of NHK, Japan's sole public broadcaster and largest media outlet. Thank you so much for your continuous help and updates on the ground water investigation in Pavillion, WY.

I have recently heard that the public comment period has closed on Jan. 30th, and would like to follow up with you on what the next steps are on this topic.

Is there a deadline for the review process? What happens after the review process?

Please let me know and I look forward to hearing from you,

Mayumi Maruyama
